

Design Request Form: -

Note: Please fill in all required fields accurately to process your request promptly. Fields marked with * are mandatory.

A. General Details

1. Organization / Company Details

Company/Organization Name*:

Address*:

City*:

State*:

PIN Code*:

GST No.:

Contact Person Name*:

Designation:

Phone Number*:

Email ID*:

B. Job Title / Description*:

Type of Service Required (Select all that apply)*:

1. Product / Service Requested

- ☐ Product Development
- ☐ Tool Development
- ☐ Basic Simulations
- ☐ Reverse Engineering
- ☐ Prototyping
- ☐ Special Purpose Machine (Based on mutual consent)
- ☐ Technical Consultancy Services
- ☐ CAD Development (2D, 3D Design & Drafting)

2. Press Tools

- ☐ Progressive Tools
- ☐ Combination & Compound Tools
- ☐ Blanking, Piercing & Trimming Tools
- ☐ Forming & Draw Tools

3. Moulds

- ☐ Injection Mould
 - ☐ 2 & 3 Plate Mould

- ☐ Rubber Injection Mould
- ☐ Hot Runner Mould
 - ☐ Hot Sprue
 - ☐ Semi Hot Runner Moulds
 - ☐ Fully Hot Runner Moulds
- ☐ Compression Mould
- ☐ Transfer Mould

4. Jigs & Fixtures

- ☐ Milling Fixture
- ☐ Turning Fixture

5. Forging Dies

- ☐ Aluminum, Copper & Brass Alloys

6. Die Casting

- ☐ High Pressure Die Casting (Hot / Cold Chamber)
- ☐ Gravity Die Casting

3. Reference Documents

Upload Technical inputs / component Drawings / 2D Drawings / 3D Models / PDFs:

4. Additional Notes / Special Instructions

5. Declaration

I hereby declare that the above information is true to the best of my knowledge, and I understand that CITD will review the feasibility and share the quotation and tentative timeline accordingly.
